These duties will include all compressor preventative maintenance, overhauls, station loss control, testing and monitoring of engine and compressor performance. The position will have the ability to give assistance to construction, operations and other staff mechanics on an as needed basis.

ESSENTIAL DUTIES/RESPONSIBILITIES:

- Monitoring of engine and compression performance
- Scheduled maintenance and overhaul of equipment
- Maintain engine run hour records, oil sampling and maintenance records
- Insure environmental compliance in emission testing program

- Maintain and record compressor run data sheets
- Control and minimize repair expense through strong preventative maintenance plan
- Comply with all EH&S guidelines
- Reporting any unsafe condition or situation that would compromise the integrity of any Markwest equipment or locations
- Maintaining clean and safe working environment
- Making any or all repairs as deemed reasonable and safe
- Compressor station operations and automation.
- Operating a company vehicle
- Maintaining the company vehicle and equipment at all times to ensure safety to him and the equipment that he will operate
- Order equipment as needed

SUPERVISORY DUTIES:

Yes

Supervise contract crews

JOB QUALIFICATIONS:

- Must have integrity while representing MarkWest Liberty
- 5 years of industry experience
- Self motivated with the ability to work well with others
- Strong organizational and supervisory skills
- Ability to train and motivate others
- Ability to coordinate, prioritize and execute many tasks at once

WORKING CONDITIONS:

Physical Demands: The physical demands described here are representatives of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to stand; walk; use hands to finger, handle, or feel objects, tools, or controls; reach with hands and arms, and taste or smell. The employee frequently is required to sit; climb or balance; stoop, kneel, crouch, or crawl; and talk or hear.

The employee must regularly lift and/or move up to 10 pounds, frequently lift and/or move up to 25 pounds, and occasionally lift and/or move up to 100 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

Working Environment:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee regularly works in outside weather conditions and with flammable liquids. The employee frequently works in high, precarious places and exposed to fumes or airborne particles. The employee is occasionally exposed to wet and/or humid conditions, acidic or caustic chemicals, risk of electrical shock, and vibration.

The noise level in the work environment is usually moderate.

Materials and Equipment Used:

The material and equipment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee will regularly use hand tools, computers, and analytical electronic devices, buried pipe line locators and operate a motor vehicle.

Interested and qualified candidates should contact us immediately to be considered for this terrific opportunity. Please send your resume to **employment@markwest.com**.
