

JOB DESCRIPTION

We want to attract and retain the best talent in the industry. To meet this goal, we are creating a workplace where our employees are top priority;

Feel The Energy Of...

Our Assets – Our current basins consistently see excellent results. With the addition of key acquisitions, our growth projections are extremely strong. We will remain committed to improving the quality, safety and performance of our assets.

Our Performance – We continue to demonstrate leadership in the mid-stream marketplace. We were ranked # 1 and #2 in "Customer Satisfaction" in the EnergyPoint Research, Inc. Natural Gas Midstream Services Customer Satisfaction Survey for 2006 and 2009, respectively.

Our People – Here at MarkWest, we believe our continued success depends on the quality of our employees. We believe strongly that employee satisfaction leads to customer satisfaction.

Come join our team as our **Measurement Technician** at our Washington, PA location. This position reports to the Measurement Supervisor.

POSITION SUMMARY:

This position will perform any Measurement and Communications functions for MarkWest in both the plant and field. These duties will include coordinating meter testing, system balancing, installing, calibrating, and maintaining gas and liquid measurement equipment. Responsibilities will be for all functions related to the Measurement Dept. data volume collection system and components. This position will include taking call and working overtime and weekends if needed. In particular, these tasks may include, but are not limited to:

ESSENTIAL DUTIES/RESPONSIBILITIES:

- Maintaining meter-testing schedule.
- Installing EFM's and SCADA equipment.
- Meter calibrations
- Pulling and checking in gas sample analysis.
- Maintain excellent relationship and trust with producers.

- Overseeing all measurement related balances.
- Insuring all measurement test schedules and documentation are being performed
- Reporting any unsafe condition or situation that would compromise the integrity of any MarkWest equipment or locations.
- Making any or all repairs as deemed reasonable and safe to do so.
- Operate and maintain a company vehicle in a safe and efficient manner.
- Maintaining the tools and equipment provided.
- Work weekends and overtime if needed.

SUPERVISORY DUTIES:

Act as Lead position for projects and contractor supervision when needed.

JOB QUALIFICATIONS:

- Minimum 5 years of applicable experience.
- Strong organizational skills, ability to work well under time and pressures.
- Ability to coordinate, prioritize and execute many tasks at once.
- Ability to keep records, read and understand manufacturer's equipment manuals and drawings, P&ID's (Process and Instrumentation Drawings), loop drawings, etc.
- Ability to work well with all plant personnel and managers.

WORKING CONDITIONS:

While performing the duties of this job, the employee is often exposed to outside weather conditions, which could range from cold and snow to hot, humid conditions. Walking on uneven terrain is often required during field work. High noise areas will be encountered.

PHYSICAL DEMANDS:

While performing the duties of this job the employee is regularly required to stand, walk, and sit. Use hands to finger, handle or feel objects, tools, and controls; reach with hands and arms. The employee is frequently required to sit, climb, or balance: stoop, kneel, crouch, or crawl; and talk and hear. The employee must regularly lift and/or move up to 10 pounds, frequently lift and/or move up to 25 pounds, and occasionally lift and/or move up to 100 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus.

MATERIALS AND EQUIPMENT USED:

The materials and equipment used on a regular basis will be a personal computer, phone, fax, copier and map printer/plotter.

Interested and qualified candidates should contact us immediately to be considered for this terrific opportunity. Please send your resume to employment@markwest.com.
